LANCOM
SYSTEMS

This technical drawing shows a rectangular panel with rounded corners. A horizontal dimension line at the top indicates a width of 262 units. A vertical dimension line on the left side indicates a height of 15,50 units. Two small circles are positioned at the top corners, likely representing mounting holes. The text 'LANCOM SYSTEMS' is centered on the panel in a bold, outlined font. A vertical dashed line runs down the center of the panel, and a horizontal dashed line runs across the top, intersecting at the center.
